Badges & Visa Requirements

Exhibitor Badges are valid during the build-up, open and breakdown periods of the show. Badges should be ordered online using the web link that will be emailed directly to you 8 weeks before the event. Exhibitor badges are not for contractors. Your contractors will need to obtain contractor badges on arrival. Contractor badges can only be issued if your stand design has been approved therefore please ensure you submit all requested information to us in plenty of time (See Space Only Stand Section)

IMPORTANT NOTE RE VISAS: Foreign visitors to China may be required to obtain a faxed **Visa Notification** from the Chinese Authority for Visa application to your local Chinese Embassy. Each person is required to complete the Visa Application form in the Order Form section of this manual and return it via fax no later than **28th October 2011**. Please provide your personal data in TYPEWRITTEN form to avoid possible errors and fax before the deadline. Please make copies of this form as required. It is strongly

recommended that each person carries a copy of this form with them along with their passport with Visa once obtained.

The application fee for each person is **US\$30** which should be transferred to **Intex Shanghai Co., Ltd**, by T/T (Wire Transfer) 7 days after the date of faxing the form. Payment details are shown on the form. The order form can be found in **Section 6** of this manual. Applications will only be made once proof of payment is faxed and the monies received.

If there is no problem, the government will issue the approval to Intex who will then forward confirmation to you. The faxed approval needs to be taken to your local Chinese Embassy who will issue you with your visa

Exhibitor badges will need to be collected on site from the main entrance at SNIEC.

Balloons

Exhibitors using gas filled balloons on their stands must adequately secure them to their stand. A charge will be made to the exhibitor for retrieving balloons and repairing any damage to vents.

Balloons must be positioned at a height no more than 6m from the hall floor to the top of the balloon and hang only over your own stand. Helium gas cylinders must be removed from the halls once the balloons are filled. The use of flammable gases is not permitted.

Breakdown Instructions

Refer to the exhibition timetable in the front of this section.

The exhibition closes at **16.00hrs** on **2nd December 2011**. Under no circumstances may breakdown commence before this time due to health and safety regulations, and as a courtesy to visitors and fellow exhibitors.

Overtime space charges will be applied. Please contact **Claire Farrugia**, Operations Manager, (cfarrugia@labelexpo.com) if you have a difficulty regarding this.

Build-Up Period

Refer to the exhibition timetable in the front of this section.

Business Centre

There is a Business Centre at SNIEC where fax and photocopy services will be available. It will be open during the build-up period and opening times of the exhibition

Carpet

The official contractor for carpet is **PICO**

All stands are required to have carpet or floor covering.

Shell Scheme and Package Stand exhibitors, your stand will automatically be carpeted with **BEIGE** carpet.

The gangways will be carpeted in **DEEP RED**

Please note: Inflammation capability grade of all the material which is used for booth construction or decorations must NOT be lower than grade B1 (nonflammable) and must have approval from the government department of security and fire-control.

Catering There is a Snack Bar & Coffee Bar at SNIEC. Packed lunches & drinks are available on site. SNIEC do not offer a “stand catering” service but drinks and snacks can be purchased from the shop and restaurant onsite.

Children We regret that no one under the age of 16 will be permitted access to this Exhibition. This rule applies to Exhibitors' and Contractors' children during the build-up, open and breakdown periods.

Compressed Air PICO are the official contractor for providing compressed air and water & waste to the hall. Please refer to the order form in Section 6 of the manual and return no later than **28th October 2011** to the contact details given on the form.

IMPORTANT: Please note that portable compressors are not permitted in the venue for health & safety reasons. You must order mains air connections. **SNIEC officials will make inspections onsite and any portable compressors will be removed.**

In order to maintain the ambient noise level within the hall, air compressors up to 1 HP (electronically driven) may be placed on the exhibitor’s stand however full details of the proposed installation are required by the Organiser no later than **14th October 2011**

Only electronic compressors may be used provided that the air vessel is fitted with a pressure-gauge, approved type safety valve and a certificate of pressure test by a recognised authority is available on the stand.

PLEASE NOTE THAT ALL CONNECTIONS MUST BE MADE BY THE OFFICIAL CONTRACTOR

Contractors A list of 'Official Contractors' is contained in **Section 1** of this manual and Exhibitors are requested to utilise their services wherever possible. Do not engage the services of individuals working in the hall who are usually unreliable and not trustworthy. Please use the official service desk for any queries or issues.

PLEASE NOTE:

Hall Management Fee

SNIEC levy a **20RMB per m²** charge on all space only stands as a Hall Management Fee. This is not refundable and is payable onsite at the Customer Service Department counter at the entrance to SNIEC before contractor passes can be issued. This fee applies even if you are not using a stand fitting contractor and constructing the booth yourself.

Contractor Deposit

Contractors/exhibitors are also required to pay a refundable “Contractor Deposit” to PICO, (**RMB 3,000.00 for all booth 54 sq.m. or under 54 sqm, RMB 5,000.00 for all booth larger than 54 sq.m.**), at PICO’s Contractor Service Counter in the South Lobby of SNIEC. This deposit is to ensure that all regulations are abided by, all services are paid in full and all stand fitting removed at the end of the event.

Contractor Badges

The cost per contractor badge is 30 RMB. This cost is non-refundable and is valid for the build up and breakdown period of the show. **Please access <http://en.sniec.net> and click "Contractors Passes Register" .Contractors have to upload their on-site workers' ID (or passport) full names & numbers anytime between 14th November 2011 to 25th November 2011.The person in charge needs bring his(her) ID Card/Passport to the SNIEC badge office at the main entrance of SNIEC. (see the contractor badge application form & note etc.)**

Please ensure stand plans are submitted in time to avoid any delay on site (see the space only stand section for more information).

SNIEC will issue a Contractor Badge once both payments and approval of the stand plans above have been made

Vehicle Passes

In order to be issued a Vehicle Pass at the parking area, the contractor/exhibitor is required to bring the Hall Management Certificate and the receipt of Contractor Deposit to the parking area and pay the vehicle pass fee of **RMB 50** for 90 minutes & RMB 300.00 as the vehicle pass deposit. (The vehicle pass deposit will be non-refundable if the time exceeds 90 minutes).

Customs Clearance

Expotransworld has been appointed as the official customs brokers for the exhibition. Shipping, Lifting and Handling information and documentation is in **Section 4**.

Please refer to the Shipping Information, which specifically outlines what you need to do and the applicable deadlines. Please ensure you allow plenty of time, to avoid problems on site. The deadlines are final dates. Ideally you should aim to ship your items before these deadlines.

Web: <http://en.sniec.net>

Dilapidations

Exhibitors are responsible for all panels, walls, columns, flooring, shell scheme stands and hired accessories within their stand area and any damages will be repaired at the exhibitor's own expense.

IMPORTANT NOTE: All exhibits and stand fitting materials must be cleared from the exhibition hall after the show and charges will be levied for the removal of any abandoned.

Dismantling

Breakdown will commence 30 mins after the exhibition closes on **Friday 2nd December 2011**

UNDER NO CIRCUMSTANCES may dismantling take place before this time. In addition to being a discourtesy to visitors, it is contra to the local authority regulations. Goods will not be allowed out of the exhibition building during the exhibition without a pass signed by the Organisers.

Double Decker Stands

Please note that SNIEC have introduced new regulations regarding Double Decker Stand builds, which involves submission of structural calculations and approval by an engineer before build can commence. It is important that you read the stand building section and complete the form **Double Decker Stand Build form** in **Section 3** of this manual if you intend to build a double decker stand. A space fee also applies to all upper levels on double decker stands. **PLEASE NOTE THAT ALL STANDS ARE NOT PERMITTED TO HAVE A CLOSED CEILING. THIS IS A NEW REGULATION INTRODUCED BY SNIEC. THE MAXIMUM BUILD HEIGHT FOR DOUBLE DECKER STANDS IS 6 METRES. THE MAXIMUM BUILD HEIGHT FOR SINGLE STOREY STANDS IS 4.5 METRES ONLY.**

Drop Wires

It is possible to ring banners/lighting rigs. Please see the order form in Section 6 for further information.

Electrical Services

PICO has been appointed as the official electrical contractor and you can order their services by completing the order forms in **Section 6**. Orders should be returned **no later than 28th October 2011**

If you have ordered a **Package Stand** from the Organiser, you will automatically receive the following:

3 x spotlights

1 x13 Amp/220V socket, not for lighting(max 500W)

Space Only Exhibitors should use the order form in Section 6 of the manual for their electrical requirements. Please specify with PICO if you require a power supply at a specific time (aside from the open hours of the show) i.e. **24 hours** or during the build up or breakdown period. On the breakdown day (Friday 2nd December) power to all stands will be switched off 30 minutes after the close of the show. SNIEC regulations declare that power is turned on between 09:00 and 18:00 there any additional requirements need to be pre-ordered. There will

be a difference in price.

Power supplied from the standard electrical mains outlets are 220V SP 50Hz AC and 380V TPN 50 Hz AC. **You should bring with you any transformer/regulator necessary if your machines cannot cope with these fluctuations. This will NOT be provided by the Organiser nor Contractor (PICO)**

Employment of Labour

Please note that whilst security is present in the hall, unofficial contractors sometimes enter and offer their services. Please do not contract their services. They are not reliable or honest. It may seem that their services are cheap but this is because they are substandard or dishonest – they may sell you an item and then later steal it to sell to another exhibitor. Please ignore them and report their presence to the Organiser’s office so we can have them removed.

Emissions, Exhaust & Fumes

Any exhibit or process which generates blows out or otherwise emits fumes, exhaust or smoke is subject to inspection by the venue. All such processes must be arranged to have an effective destructor and filter system and/or an effective exhaust to the outside atmosphere.

The venue reserves the right to shut down any machine that is not emissions compliant at any time. In any case machine exhaust outlets should be arranged not to discharge filtered fumes below 4 metres in height and where possible these should be ducted outside the building.

Exhibits

Exhibitors are responsible for the installation and safety of their exhibits. Where exhibits are demonstrated in operation, exhibitors must ensure that visitors are protected from danger and guardrails of adequate strength must be erected.

Films/Video Tapes/DVD’s

Any films and video tapes to be shown at the exhibition must be cleared by the Chinese Customs Authority. Please refer to the Shipping & Lifting section of this manual (Section 4).

We would advise you against hand-carrying these items into China as they may be detained by Customs and considerable time and effort may be required to clear them in time for the exhibition.

Fixing to the Building

As stated in the Rules & Conditions, exhibitors may not fix or attach anything to the structure of the building, including the floor.

Floral Decorations

Floral decorations and plants are available to hire onsite at SNIIEC.

Force Majeure

The exhibition may be postponed, shortened or extended due to any cause whatsoever outside the control of the Organisers or Manager. The Organisers and Manager shall not be responsible for any loss sustained by the Exhibitor, directly or indirectly, attributable to the elements of nature, force majeure or orders and directives imposed by any governmental authority. In the event of such circumstances, the money paid by the Exhibitors, or any part thereof, is refundable at the sole discretion of the Organisers and/or Manager.

Furniture Hire PICO has been appointed as the Official Furniture contractor. Please refer to the Order Form in **Section 6** of the manual, and return it no later than **28th October 2011**

Gangways For health & safety reasons and to aid the access of other exhibitors, please keep gangways clear of all stand fitting materials and exhibits during build-up and breakdown. Anything left in the gangways may be deemed as rubbish by the cleaners and disposed of.

Emergency gangways **MUST** be kept clear at all times.

Gratuities Appointed contractors will carry out all work in good time and you should not be asked for any sort of gratuity to obtain priority service. If monies are solicited, please inform the Organisers immediately.

Health & Safety As an exhibitor, it is your legal and moral responsibility as far as is reasonably practicable to ensure the health, safety and welfare of everyone sharing your work site at the exhibition.

Information regarding Health & Safety is in **Section 5** and includes key recommendations and outlines your responsibilities and those of your contractors. **Please read it carefully!**

All exhibitors are asked to complete and return the Health & Safety Declaration in **Section 5** of the manual and return it to the Organiser no later than **14th October 2011**

If you are a Space Only stand please ensure you read the Space Only section carefully, and note & comply with SNIEC regulations.

Height Restrictions Maximum build height for stands is as follows:

Double Decker Stands ONLY	6m
Stands 24 sq. m. or larger	4.5m
Stands Under 24 sq. m.	4m

Please contact the Organiser if you have any questions regarding restrictions for stand heights

PLEASE NOTE THAT THE MAXIMUM BUILD HEIGHT FOR SINGLE STOREY STANDS AT SNIEC IS 4.5 METRES. THIS IS A NEW REGULATION AND MUST BE ADHERED TO

Refer also to **Section 3** for stand construction rules and regulations. Please note that the **back** of all stands above 2.5 metres **MUST** be dressed and finished in a neutral colour. Please note all space only stands above 2.5 m require approval from the Organiser. Refer to "Approval of Stand design".
