運展環球物流有限公司 EXPOTRANSWORLD LTD.

Unit 706-707, 7/F., Star House, 3 Salisbury Road, Tsimshatsui, Kowloon, Hong Kong
Tel: 852-2730 1868, Fax: 852-2730 1878, Email: info@expotransworld.com

ATA carnet - Exhibitors do not provide the CARNET ATA that issued by COUNTRY OF ORIGIN should responsible to pay the bonded deposit to Shanghai Customs; the approx. amount of the bonded fee is at 100% of exhibits value. The exact amount to be paid will be access by Shanghai Customs. We recommend the bonded fee should pay by your China Office directly to Shanghai Customs. In normal practice; it takes about 4 months to get the refund from Shanghai Customs.

China Customs will now have severe control after the show. All cargos under ATA carnets must be moved to bonded warehouse after the show. Exhibitors or Agents must apply for the ATA carnet extension 30 days ahead of the valid date. The customs will not accept the ATA carnet extension application later than 3 month.

IMPORTANT - This is the most important document to arrange the customs clearance for temporary importation of exhibits into China. Please ensure all the items listed on each column of the form have been completed includes the HS code number to identify the tax rate for Customs data entry. Please specify the following for the equipments:

Brand Name	Model Number	Serial Number	Size of TV/Plasma/LCD Monitor (inches)

Electronic Souvenirs to be distributed during exhibition – please kindly note that for all kinds of souvenirs that have electricity supply and/or have electronic components must need to obtain a license from ELECTRICITY AUTHORITIES of China. Customs may not allow exhibitor to distribute these kinds of souvenirs without the presentation of this permit. Normally, it takes more than 4 weeks to obtain the permit from ELECTRICITY AUTHORITIES of China and the cost for this application is more than US\$400.00/application, and exhibitors are also needed to pay the import tax/duties for electronic souvenirs. Therefore, it is not recommended to ship the ELECTRONIC SOUVENIRS to exhibition.

Customs Regulations

- Please be informed for all exhibitions in China, each exhibitor must now provide the catalogues, pictures or any related documents for their temporary imported exhibition equipment with declared value at or over US\$10,000.00 (per unit). Otherwise, the Customs has the right to refuse processing the customs formalities for any return/re-export/transfer shipments and/or sold exhibits.
- On the other hand, there must be a serial number on all the equipment (even if its value is lower than US\$10,000.00) which customs officers will record during their inspection for inward and it must be tallied with what is declared on the declaration form. This record will be checked again during the export.
