GRAPHICS

Please note that the shell scheme walls are made up of panels 2.47m high divided at 1m intervals with aluminium poles. **PLEASE NOTE: the actual dimensions of each panel, for the purpose of applying graphics, is 950mm wide x 2330mm high.** The maximum height for pop up displays within shell scheme stands is 2.47 metres (please see shell scheme diagram with dimensions above).

Please advise Thao Vu Thao.vu@informa.com. if you have any questions about fitting your display into your stand area.

If you wish to have graphics printed to fit within your shell scheme stand, our contractor, ChanYeer, are able to provide a full range of graphical options. Please contact:

Ms. Celia Guo / Mr. Tony Gu

Tel: + 86 21 6048 7372

Fax: +86 21 5156 4085

Email: csc@chanyeer.com; tony.gu@chanyeer.com

ADDITIONAL SHELL SCHEME OPTIONS

Additional fittings and accessories for the shell scheme can be ordered through **the ChanYeer e-system platform by 3rd Nov 2025**

PLEASE NOTE: All additional items are chargeable directly to the Exhibitor.

INTERIOR DISPLAYS ON SHELL SCHEME SITES

Exhibitors are at liberty to engage a contractor of their choice to carry out the construction and installation of interior displays on shell scheme stands provided that the name of the contractor appointed is submitted to the Organisers.

The official shell scheme contractors, ChanYeer, will, of course, be pleased to provide estimates for such work. Please note that all materials used for the construction of displays must be of a non-inflammable nature.

PLEASE NOTE: If you are ordering any extra items such as furniture, electrics or staffing etc please ensure that you make payment to the relevant contractor in full, in advance of the exhibition, to avoid delay onsite. In China, orders are not serviced unless full payment has been received.
